

Can you imagine what would happen if we were transformed  
into people who transform the world?

## Please Join Us for a Pastors' Luncheon

*Hosted by the Des Moines Area Religious Council,  
the Center for Social Ministry, and JustFaith Ministries*

Christine Coy Fohr, from the national JustFaith Ministries office in Louisville, KY, will join us for a luncheon on Friday, June 24. During this time, she will offer thoughts and reflections on how JustFaith Ministries programs can help to challenge members of your congregation to more fully embrace our Christian call to common mission.

JustFaith Ministries provides opportunities for individuals to study and be formed by the justice tradition articulated by the Scriptures, the Church's historical witness, theological inquiry and Church social teaching. JustFaith Ministries programs help individuals experience conversion, integrating their personal spirituality with social commitment. Participants are empowered to develop a passion and thirst for justice and to express this passion in concrete acts of social ministry in their church and in the community at large.

JustFaith Ministries has programs for youth, young adults, and adults. More information about JustFaith Ministries can be found at [www.justfaith.org](http://www.justfaith.org).
