The Legacy of David Bear

David Bear, a prominent Des Moines engineer and businessman for more than 50 years, was passionate about serving the community. A member and leader at Tifereth Israel Synagogue, he was a pioneer in breaking down barriers among people of all faiths. In addition to his many other professional and community affiliations, he served as President of the Des Moines Area Religious Council in 1992 and was President of the DMARC Foundation in 1989 and 1990. He continued to serve as a board member of the Foundation until his death in the spring of 2010. In his honor, the Bear family has established the David Bear Memorial Interfaith Lecture Series.
